## POLICY

### 1. School profile

Tooborac Primary School was established in 1873 and is situated in a small rural community 90 kilometres north of Melbourne. We currently have 11 students enrolled and operate two classrooms. We currently have a 0.8 classroom teacher, a teaching principal, and two integration aides. Specialist visiting teachers provide Art, Music, and Library lessons.

Our school grounds back onto the local creek and we are surrounded by a mixture of rural houses and farmland. We have a supportive community and we have developed relationships with community members and enjoy support from our local shops and community services.

Our school has access to technology to support student learning. Our students enjoy a 1:1 device ratio with a mixture of desktops, laptops and ipads. We also have excellent student libraries of fiction and non-fiction and can access to the visiting library van weekly. Teachers have access to a considerable resource library to support literacy and numeracy instruction.

Our focus is on improving student outcomes in literacy and numeracy.

Our parent community is highly engaged with the school, and we welcome parent and family involvement.

## 2. School values, philosophy and vision

**Vision** - Tooborac Primary School's vision is to develop well rounded, confident and responsible individuals who are empowered to reach their full potential.

**Mission** - Tooborac Primary School's mission is to work collaboratively to provide positive, challenging and authentic learning experiences that recognise individual learning needs.

**Safe** - We provide a safe environment for learning, social interaction and emotional development. Students are encouraged to take risks with their learning and recognise that mistakes are an important part of learning. We actively promote and support physical, mental and emotional wellbeing.

**Respectful** - Staff, students and the school community treat each other and themselves with respect and consideration using courtesy and understanding. Students are explicitly taught the correct register of speech and body language to use in public situations.

**Ready to learn** - With a positive attitude students take ownership of learning and become independent, motivated learners. By articulating their mathematics and literacy goals and by engaging in reflection, goal setting and peer evaluation students can celebrate their strengths and know what to focus on in future.
